# PicoDisk

**PicoDisk** is the family of high speed USB 2.0 memory keys able to satisfy any data transportability need guaranteeing optimum performance in terms of reliability, memory capacity and cryptographic protection. Getting rid of floppy disks, it is now possible to manage any type of read and write file directly on PicoDisk; just insert the device in your computer USB port and a new unit will be immediately available in the list of the system resources.

One model for every need

**PicoDisk ProHS+** Featuring a capacity of 128 MB up to 512 MB it has a special sturdy shell that protects it not only from shocks and dust but also when immersed in up to 1 m deep water level. It is delivered in a DVD-like package also including USB extension cable, lanyard and CD.

**PicoDisk Power** Available in units from 1 GB up to 4 GB, it offers the highest data transfer and a waterproof sturdy shell. It is delivered in the complete DVD-like package.

**PicoDisk 3** Available in units from 128 MB up to 1 GB, it has a semi-transparent polycarbonate shell that claims perfect resistance to shocks, dust and water splashes. It comes in 4 different colours into a blister pack that is ideal for off the self distribution.

**PicoDisk CryptoX** This version guarantees data protection with PIN and PUK access and AES 256 bit cryptography. It includes an encrypted backup utility. Available units from 256 MB to 512 MB.

**PicoDisk XPower** It uses CryptoX technology with the same cryptographic protection levels. Featuring a capacity from 1 GB to 4 GB, it reaches its highest performance in data transfer speed.

## Common Specifications:

**Interface:** USB 2.0 High Speed, compatible USB 1.1

**Reliability:** rewritable up to 1 million times

**User-friendliness:** Plug&Play on the USB port

**Transportability:** no cables or power batteries are needed

**CD partition:** for custom projects it is possible to partition the PicoDisk memory into a mass-storage area or a CD, which cannot be modified by the end user and can support the autorun.

**Warranty:** 2 years
